

February 2014

Dear Friends of Trinity,

Now that we have begun a new year we can look back and see how our Lord used our congregation to touch the lives of people we will probably never meet and who can never repay us. We are a truly generous congregation!

We can also look ahead and see where we are going. There are exciting times afoot, as well as trying and challenging times. In upcoming days and months you will hear about projects that we will undertake. They will thrill us and stretch us at the same time.

One challenge that is being faced all over Christendom is dwindling numbers in just about any metric you can fathom, but especially in overall membership. Many people today just don't have church on their radar because of a fairly recent development in negative attitudes toward religious institutions. People these days simply don't feel it's necessary to belong to, or even attend, a church of their choice.

Many churches react by giving up and closing their doors. Churches close every day and they will continue to do so. But this is not the time for us to give up. As long as we are here, and as long as the Word of God is read and proclaimed and the Sacraments are celebrated, God will continue to use our congregation. His love is very real and His life given to us through Christ Jesus is everlasting. We can meet whatever comes our way with confidence in the love of our Lord.

Stay tuned. Stay connected. Do not fear, but trust in the work of the Holy Spirit as He reminds us of the sure and certain promises of God given to us through our Lord Jesus Christ.

And let us not grow weary of doing good, for in due season we will reap, if we do not give up. So then, as we have opportunity, let us do good to everyone, and especially to those who are of the household of faith. (Galatians 6:9-10)

In Christ,
Pastor Hoag

FEBRUARY 2014 NEWSLETTER

ANNUAL CONGREGATIONAL MEETING

The annual congregational meeting was held 1/26/2014 following the 10:30 service. There was good attendance at this year's meeting and a lot of lively discussion took place despite a misbehaving microphone, which served to lighten the tone a bit (you probably had to be there to appreciate this...). We heard from our Youth who attended the Youth Gathering in San Antonio this year, reviewed the 2014 budget, talked about the major items that our volunteer property committee is undertaking, discussed our three main charities for 2014 (if you haven't already noticed, please check out the new lettering on our 'Mission Wall,' where further details of our charitable outreach will be posted), reviewed an impressive list of things our Social Ministry committee has done and continues to do, discussed the initial planning of our 75th anniversary that will occur in 2015, and much, much more. We are blessed with a wonderfully supportive congregation, and we are ALWAYS looking for ways to get other members involved - we even had an on-the-spot offer to help with one of the rewiring projects that our Property team is tackling! Maybe you have been thinking that 2014 is a year when you will do more for your church. Since we are run almost exclusively by volunteers, please listen to that urge and consider talking to a member of church council or filling out a time and talents survey (see the next page of this letter) to express your interests. We are as strong as our members make us - perhaps you can help us to become even stronger in the coming year. We have some great things planned for 2014 and beyond, and that encouraging theme was clearly evident during this year's congregational meeting.

CONTRIBUTION STATEMENTS

ENVELOPES:

Contribution statements for income tax purposes are available for members using the offering envelopes. If you have not received a statement in previous years and would like to request one, please contact the church secretary or Janice Prospero home #815-485-3558. Rather than mail envelopes to members who had not picked them up by early January, members of Church Council delivered the last few boxes this year. If you were not home, you might find your envelopes in your mailbox or by your front door. Hopefully you had a chance to chat with the council member who delivered them - the goal was to welcome you back to Trinity!

Time and Talents Survey Churches function through the efforts of the congregation. There are many ways members can contribute to the functioning of the church. We know not everyone wants to be on a committee, but sometimes there are certain projects where you may be able to help for one or two items. Please pick up and complete this survey form and place it on the counter in the church office. This is a yellow form and is located on the table outside the church office, by the flower chart.

Idea/Suggestion Box If you have an idea or suggestion to help the church function better, you need to let us know. Please complete the blue form beside the Idea/Suggestion Box on the table outside the church office.

Your ideas or suggestions are important and will be reviewed and followed up by the Church Council.

Adult Instruction: Pastor Hoag is starting a new adult instruction class on Thursday, February 6th at 7:00 p.m. If you are interested, or know anyone who is interested, please contact Pastor Hoag.

SOCIAL MINISTRY

St. Matthew's Outreach: Thanks to Bob Jackman and Ed Tatro for delivering rummage and a monetary donation to St. Matthew's Church recently. We will once again begin collecting food goods for St. Matthew's every fourth Sunday throughout the year, and will also offer a Butter Braids fundraiser, with delivery in early April. Additional details will be forthcoming.

Please sign the monthly greeting card for Virgil; he sincerely appreciates all contact from Trinity members. We look forward to Virgil's homecoming in mid-May.

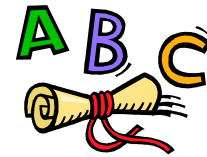

Feed My Starving Children: 22 members of Trinity's congregation participated in the food packing event for Feed My Starving Children, which took place on January 18th. In just over two hours' time, more than 61,000 meals were packed during our session! The overall event exceeded its goal by packing more than 240,000 meals for God's children around the globe.

This is one of three charities we plan to support as a congregation in 2014, and we did learn that funding for this event as of Saturday was only about 50% of the goal. **We were thrilled with the support of so many helping hands from our congregation, but wanted also to make a plea for financial support of this group as well.** If you are willing and able to support this organization, please make your donation to Trinity Lutheran Church and write "Feed My Starving Children" or "FMSC" in the memo line. We will collect donations through early February for this and send in what we collect. Thank you for helping to spread the reach of our congregation beyond our four walls!
