

February 2016

Dear Fellow Trinitarians,

How many Bibles do you have currently in your house? The average home has five. Are those Bibles being put to use? Studies show that they're not and are mostly collecting dust on a bookshelf or stashed away in a box. Some use a family Bible as a centerpiece for their coffee table. That would be an example of a Bible having some kind of function, although merely decorative. But it's hardly the purpose of a Bible. Bibles are made to be read and heard.

The Holy Bible is the inspired Word of God and the narrative of salvation. It's not a self-help manual or a therapist's notes. It is the record of God's actions in our world chiefly as they have been accomplished by Jesus Christ for the forgiveness of our sins and eternal life. It shows that humanity cannot save itself from condemnation and destruction, for humanity has neither the will nor the ability to do so. Page after page shows the utter helplessness of people in spiritual matters as they are enslaved in sin, and how God continually comes to the rescue.

That's the beauty of Scripture. It declares that God satisfies His own righteousness and justice in the passion, death, and resurrection of Jesus Christ. You cannot get that message anywhere else!

One of the liturgies we use occasionally contains what's known as the Collect for the Word. I leave it here for your consideration and offer it as a prayer for you: Blessed Lord, You have caused all Holy Scripture to be written for our learning. Grant that we may so hear them, read, mark, learn, and take them to heart that, by the patience and comfort of Your holy Word, we may embrace and ever hold fast the blessed hope of everlasting life; through Jesus Christ, Your Son, our Lord, who lives and reigns with You and the Holy Spirit, one God, now and forever. Amen.

In Christ,  
Pastor Hoag

## FEBUARY 2016 NEWSLETTER

### President's Report

We have a full agenda of topics to discuss at this year's annual congregational meeting on Sunday, January 31st, following a chili lunch after the second service. We hope to see lots of you in attendance at this meeting, as we will be discussing matters of importance to Trinity and seek input from our members on these topics. As mentioned last month, this also marks the final annual meeting where Bruce Hasch will be acting in the capacity of our Treasurer. Bruce has served us in an exemplary manner for more than two decades as our Treasurer, as we are fortunate to have had the benefit of his selfless devotion to our council for such a lengthy period of time. You will still see Bruce at Trinity - he is just stepping down from his long-held council position. Please join us in thanking Bruce for a job well done!

As an incentive to sticking around for the annual meeting, we are even planning to feed you! Our Youth Group will be serving a chili lunch after the second service.

A free will offering will be taken for this, with proceeds going toward the cost of sending several of our Youth to the Annual Youth Gathering this fall in New Orleans. This will be an exciting and rewarding trip for them, and they are working hard to fund this trip throughout the year. Your support of our Youth is both noticed and appreciated.

### **Coming right up in February is our first charitable endeavor of 2016 - project Sole Hope.**

We look forward to several of you signing up to help cut out patterns that will eventually be crafted into shoes for children in Uganda who lack such basic necessities as shoes for their feet. If you are unable to help with the cutting of these patterns, donations to this effort are also very much appreciated.

This gives all members of Trinity the opportunity to help make a difference in the lives of these children, so we hope everyone reading this will join in supporting this organization in one way or another. Helping those less fortunate - kids in particular - is extremely rewarding. For more on Sole Hope, please check out [www.solehope.org](http://www.solehope.org).

Last for now is the new project that Emily Niemann is spearheading. This involves getting together with other members outside of church for a time of food and fellowship. Hosts provide the meal and attendees bring dessert. You can sign up

to host, attend, or both. There are few rules here - the idea is to break bread together and get to know other Trinity members a little better. You can attend one meal or several - that's up to you. If we believe that church is not a building we go to, but rather a family to which we belong, then this is a great way to put that belief in action and get to know other Trinitarians a little better. Our thanks to Emily for the idea, as well as the offer to coordinate the master schedule. If you didn't get an application for this, please see Emily or contact the church office.

We hope to see you this Sunday at the annual meeting!

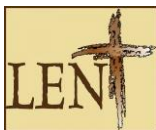

**Contribution statements for income tax purposes are available for members using the offering envelopes. If you have not received a statement in previous years and would like to request one, please contact the church secretary or Janice Prospero. If you received a statement in the past you are on the list to automatically receive one each year.**

## SOLE HOPE PROJECT

Many African children are infected with jiggers, small sand fleas that enter bare feet and burrow into the skin. If left untreated, jiggers become a huge problem, leading to infections, paralysis, amputation, and in some case, death. The shoe parts we cut out of old jeans and will be sent to Uganda and made into shoes for children there who are in need. Sole Hope also provides work to those who sew the shoe parts together, thereby supporting families.

When you volunteer at a workshop you help in providing jobs, shoes and HOPE to Uganda. By cutting out the shoe parts, you provide the tools that our shoemakers need to make the shoes that can help keep thousands jigger-free.

**Social Ministry will be hosting two workshops on Tuesday, February 2<sup>nd</sup> from 1:00 – 3:00 p.m. and again from 6:30 – 8:30 p.m.**

If you are able to help us, please sign up on the sheet on the card table outside the gym. No seamstress experience needed! Participants are asked to bring a pair of sharp scissors, to cut the material. Due to the nature of the project (exact precision required in tracing and cutting, use of sharp scissors), all participants must be in high school or older. **IF YOU WERE NOT ABLE TO SIGN UP BUT ARE ABLE TO HELP, PLEASE JOIN US AT EITHER SESSION.**

***If you cannot help at the workshop, donations will be accepted. Please make your check payable to “Trinity Lutheran Church” with Sole Hope written on the memo line. To see what Sole Hope is all about, please visit [www.solehope.org](http://www.solehope.org). Your hearts will go out to these children!***
