

February 2018

Dear Friends of Trinity,

I am excited to announce our Midweek Lenten Series for this year! I call it “Major Biblical Themes”. It’s a video-based series that will explore themes that weave their way through the Biblical narrative. I’m sure you’ll find it to be fascinating as it will help the Bible come alive for you in ways you’d never expect.

Everything in the Bible points to Jesus and what he would do for the salvation of the world. Once that is embraced, you can look back in the Old Testament to see how that is true. It’s very exciting!

I truly hope you’ll attend. Elsewhere in this newsletter is an explanation of the themes we’ll be examining, just to whet your appetite a little bit.

The videos are produced by the very creative people at *The Bible Project*. You can go to YouTube and watch any of their videos. I think they are very well done and are very good at keeping your attention.

After we view each video, I’ll have a series of questions to help us flesh out the theme. I hope to have great discussions with you as we seek to know, understand, and take to heart the truths of Scripture. Invite people to come—family, friends, acquaintances, co-workers—and get ready to see the Bible in ways you haven’t before!

In Christ,
Pastor Hoag

FEBUARY 2018 NEWSLETTER

President's Report

January seems like a blur, but one highlight that is absolutely worth mentioning is the amazing generosity of our members between December and January. Our stained glass window fund has now exceeded \$38,000 in donations - up from about \$22,000 at the start of December. And the funds are still coming in! We have contacted several companies for bids on this project and we look forward to evaluating the various proposals as they come back in. At this point, we don't have any back just yet but we hope to see proposals over the next month or two and then select a company to complete this task for us. Some amount of disruption will be inevitable but the end result - restoration of our beautiful stained glass windows for decades to come - will be worth it. I want to thank everyone once again for your generous support of this project, as well as those who continue to make donations to this cause.

As we have done each year for the last several years, our Social Ministry Committee sets out in search of ways our church can extend its reach beyond our four walls. You may recall a presentation last year from Regenerations, which included an overview from their Executive Director and even a first-hand account of one of the foster children who benefited directly from that program. Our support for Regenerations was very strong, resulting in a check from our congregation to Lutheran Child & Family Services for \$3,500. Mark your calendars this year to hear about another great Lutheran cause. We are tentatively planning to have representatives from Lutheran Church Charities' Comfort Dog Program come to Trinity on Sunday, March 4th to talk to our members about all that they do. If you happened to attend services on January 21st, you likely got to meet Darlin. Darlin is in the Comfort Dog program and she accompanied our guest Pastor that day to Trinity (very much by coincidence...they did not know we were thinking about supporting this program this year). Judging by the reception Darlin received, and with this being a growing area part of Lutheran Church Charities, I am excited to host them at Trinity so that they can tell us more about what they do. We will accept donations to this cause that day and for a few weeks following the presentation and we prayerfully ask you to consider supporting this great program in 2018. They provide much needed comfort to countless people in need.

Our Outreach Committee is hard at work planning a cookout for this summer. Rumor has it this may become a BBQ contest with grills adorning our parking lot. If you like to grill and would be interested in participating, look for details in future newsletters about the event. We hope whether you like to grill or whether you just enjoy eating grilled food

that you'll join us this summer for a time of fellowship as we continue celebrating our 500th year since the Reformation. We hope to pack the lot that day for a day of food and fellowship, so please plan to join us. Further details will be available soon, but we have a few months before the weather will allow us to host this event.

Contribution statements for income tax purposes are available for members using the offering envelopes. If you have not received a statement in previous years and would like to request one, please contact the church secretary or Janice Prospero. If you received a statement in the past you are on the list to automatically receive one each year.

February Sign-Up sheets for Readers, Greeters and MorningStar Mission are on the hallway table! Please help by taking a turn.

LENTEN SERIES 2018—MAJOR BIBLICAL THEMES

This year we will be showing a series of videos having to do with Biblical themes and how they find their places in the Biblical narrative, most importantly seeing how they are fulfilled in Jesus Christ. These animated short videos are informative and interesting. Each week we will be examining one of the themes and having a short discussion to drive the point home. This will help us to see the bigger picture of the Bible and really take to

heart all that our God has done for us. The videos are produced by the folks at **The Bible Project**, whose mission is to show how the Bible is a unified story that leads to Jesus. Below is a short explanation of the themes we'll be exploring.

February 21—Heaven and Earth

Heaven and earth were meant to overlap, and Jesus is on a mission to bring them together once and for all.

February 28—Holiness

The holy God is unique and set-apart as the Creator of all reality. And this God wants to invite all people into his purifying holiness so they can experience true life.

March 7—The Covenants

God entered into a series of formal relationships with various human partners in order to ultimately rescue the world through Jesus.

March 14—Messiah

Jesus fulfilled the ancient biblical promise of a wounded victor who would rescue humanity. He was the one who overcame evil itself by allowing it to destroy him.

March 21—The Day of the Lord

God is on a mission to confront human evil, and the more mysterious spiritual evil that underlies it.

Each midweek service will take place on Wednesday at 7:30pm. Come and participate. Invite family, friends, and acquaintances to join in on this series.
