

January 2019

Dear Friends of Trinity,

The Epiphany season has now come upon us and has an almost Christmas feel to it, at least at first. It begins with the visit of the Magi, which is affectionately called “The Gentile Christmas”, and ends with the Transfiguration of Jesus.

We have all had “Epiphany” moments in our lives. They come to us as “Aha!” moments; times when something all of a sudden “clicks” in your mind and another piece of the puzzle we call life fits into place.

The Epiphany season functions much like that. Each week we are given answers to the question, “Who is Jesus?” His multifaceted identity is revealed, and more pieces of the Biblical puzzle fall into place to give us a big picture of what God did to rescue us from sin and death.

And so, another calendar year begins! The Day of Epiphany falls on a Sunday this year (January 6), which doesn’t happen very often and I’m really looking forward to it. I pray that the new year of 2019 will give you many epiphany moments and that your knowledge and faith in Jesus is strengthened during the Epiphany season.

In Christ,  
Pastor Hoag

JANUARY 2019

*We begin by saying thank you to so many.....*

**Thank You!** Christmas services require the work of a lot of people. Some get their names in the bulletin. Many do not. We could try and list them, but inevitably, we would miss someone. So, whether you came and helped set up the tree, folded bulletins, swapped out candles, ushered, set up communion, cleaned up after communion, set up flowers, donated flowers, sang or played an instrument, a very warm and heartfelt THANK YOU! May the love that you showed be reflected back to you a thousand times over in the year to come.

The Chancel Guild would like to thank those who purchased poinsettias to help decorate the chancel area for the Christmas services. The flowers were beautiful!

## **An update from Church Council President, Jeff McDonald.**

2018 was another good year for Trinity. We appear to be on target to come in just under what we budgeted for the year, and we also completed upwards of 20 projects throughout the year (some of them were planned, others were not). The cost of these projects was nearly \$33,000 and we have been able to fund all of them as of this writing, with only modest contribution from our savings for this. We also provided financial support to a number of outside organizations in addition to what we took care of within our own four walls. Tim King has put together a nice exhibit of these expenditures and it will be available for your review at the 2019 Annual Congregational Meeting. Whether or not you've attended this meeting in the past, it is open to all members and it will occur after the late service on Sunday, January 27th, in the gym. Please join us if you'd like to hear more details about the workings of the church.

We will also be bidding adieu to Jan Prospero, who is resigning her post as Financial Secretary in 2019. Janice has been Trinity's self-taught Financial Secretary since 1999 and she has given an enormous amount of time and energy to Trinity over the course of the last twenty years. My tax statement from Trinity is always the first one that I receive each year and while I keep pretty meticulous records of my own, I have come to rely on Janice's records for not only being very timely, but extremely accurate as well. I hope you will join me in thanking Janice for her two decades of support - as a congregation, we owe her a debt of gratitude. We welcome Tamara Doerrer in 2019 as our new Financial Secretary, and we very much look forward to having Tamara on council with us.

Our big project for 2018 was to restore our stained glass windows. As you may recall, we discovered earlier this year that with some minor maintenance, we should be able to get another 10-20 years out of them so we went ahead with that maintenance instead. We are just waiting on some parts before that is done, and we expect Suevel Studios to complete their work in the first week or two of January. We are still doing exploratory work on a kitchen remodel project, and we recently had a plumber do some investigative work for us to help us determine the feasibility of remodeling our kitchen in the downstairs fellowship hall. As you might guess, we will also be working closely with the Village on this to confirm that they are also on board with what we propose doing, and that we won't have to incur any additional costs as a result of this project other than those we expect. If we get all green lights on this, which regrettably remains an "if" at this point, we would look to begin this work soon after our Easter breakfast in April. Please look for more updates on this project early in 2019, as I am hopeful that we'll find a way to push forward with this much-needed remodeling effort.

As we look ahead to 2019, we have much to be thankful for at Trinity. We look forward to another successful year with our members and to continuing to make Trinity a church we can all be proud to call Home.

If you would like to reserve a weekend for 2019 in memory of a loved one, to commemorate a birthday, wedding anniversary, or in celebration of God's blessings, please fill out a sponsor sheet. Sponsor sheets are located on a hook attached to the glass case housing the calendar. **Please do not fill in the calendar. Fill out a sponsor sheet and put it in the Chancel Guild mail box in the general office.** Flowers are \$30.00 for both arrangements. If you would like a weekend already spoken for, it is sometimes possible to share the cost and arrangements with permission from the person already sponsoring. Chancel Guild members would like to thank those of you who sponsored a weekend this past year. We appreciate your efforts to help us enhance and beautify the altar area. If you have any questions, email Kay Purnell at [purnellk51@hotmail.com](mailto:purnellk51@hotmail.com) or call her at (815) 485-9017.
