

June 2018

Dear Friends of Trinity,

I talk quite a bit in my sermons about spiritual ladders and treadmills, and I do that for a reason.

They are exhausting and counter to the Christian faith.

We climb ladders every day to please people-- family members, co-workers, neighbors— all to earn a reward or some recognition, or to be on the top rung. It works with people.

It doesn't work with God. We try though, don't we?

"I hope I'm good enough to go to heaven when I die."

"I don't pray hard or long enough."

Perfection is required to go to heaven. Prayer is to be unceasing. How are you doing with that?

We are not perfect. We do not pray unceasingly. So, what's the answer?

The answer is NOT striving for perfection or praying 24/7.

God gave the answer. It's Jesus! He is our perfection. He is our pray-er. He achieves what was impossible for us. Jesus, and he alone, is the way to God.

We can get down from our ladders. We can step off our treadmills. We can rest in Jesus.

Our baptism is still effective. The Lord's Supper is adequate. The promises of God through Jesus are ours in the power of the Holy Spirit.

In Christ,
Pastor Hoag

JUNE 2018 NEWSLETTER

Sunday Summer worship schedule: Sunday – May 27th (Memorial Day weekend) through Sunday – September 2nd (Labor Day weekend) at 9:00 a.m. Our contemporary Service will continue on Saturdays at 5:00 p.m. communion will be served on the second and fourth weekends each month.

USHERS: In the past the Sunday early service ushers covered the 9:00 am summer service. Due to so many people being out of town through the summer months, all ushers for both services will be included in ushering on their regular scheduled week.

If you need a summer schedule, please stop in the office and get a copy.

Updates from our Church Council President, Jeff McDonald

June marks the start of our summer break from council meetings, but there is plenty ongoing to keep us busy. The final stage of the office moves is nearing completion. Our Property Committee is working on some electrical and paint work in Pastor's old office and then we will be installing the new cabinets for what will become the Church Secretary's office. At that point, the current Secretary's office will be for general use by all of our groups. It's been a long haul, but the finished product will be worth the effort and we will have much better utilization of our space as a result of these moves.

Next is the stained glass window project. We have all of our bids in and Rex Toepke volunteered to help analyze the bids for us. Rex will be working closely with our Property

Committee to explore these bids in a bit more detail and a recommendation of which contractor to choose will follow. Council will call a special meeting to review the recommendation and ask any final questions and then we plan to move ahead with this project. Our total proceeds raised for this project just topped \$50,000 as of our May council meeting and depending on which contractor we select, that will either cover all or nearly all of the cost of this project. Thank you to ALL who generously supported this project! We are 'paying it forward' in a pretty big way by restoring these windows for decades to come.

We have the Trinity Tailgate planned for June 9th and we are then hosting a concert by Revival (Pastor Hoag and Dan Bay's band) afterwards from 6 p.m. to 9 p.m. If you want to compete in the BBQ competition, please see Bob Blecke for details or sign up at church. The tailgate event is open to those competing in the competition and their invited guests. If grilling isn't something of interest to you, the concert afterwards is open to all members. Feel free to invite a friend to join you and join us for an evening of fellowship and some rock music by Revival.

While our summer Sunday schedule is never completely convenient for everyone's schedule, it is a great opportunity to interact with people who typically attend other services than your regular one. And keep in mind that our Saturday service is ongoing at 5 p.m. each week, so if 9 a.m. on Sunday is too early or too late, perhaps the Saturday option works better for you. We have several new members, so please introduce yourself if you spot someone at church that you don't know. One benefit of having two services during the summer over three is that we always have a bigger crowd in attendance, which gives each of us a greater opportunity to interact with our fellow members.
