

September 2016

Dear Friends,

Last month I talked about a new process that will be starting soon at Trinity, called *Living Lutheran*. I am looking for people to act as sponsors for people going through the process. To see what is involved with this, please look for **Sponsors for Candidates in Living Lutheran** elsewhere in this newsletter. Read it, pray about it, and consider being a sponsor. Individuals, couples, families, or any member of Trinity can do this. Please contact me if you have any questions about being a sponsor or about the Living Lutheran process.

Also, I'm putting together a test group for Living Lutheran that will run in September and need people to act as "Inquirers", or people who ask questions about a Biblical text with assigned mentors. Contact me if you would like to serve in this capacity.

In Christ,  
Pastor Hoag

**From Council President, Jeff McDonald**

August was another productive month at Trinity. We saw the balance of the windows in the gym get replaced by Dan Bay and Virgil Switzer, which marks the conclusion of this project. The new windows are solid panes of glass that should give us much more efficiency in the gym, but the visible improvement is that none of them are cracked. As you may recall, the majority of the windows on the north side of the gym had cracks or holes in them so the new windows not only look better, but they offer much greater insulation as well.

Our courtyard regrading project also made significant progress in August, with the removal of the sidewalk in the courtyard and the installation of all new drain pipes. We anticipate new sidewalks will be poured during the month of September after things have had a chance to settle a bit more in the courtyard. This project should help with drainage of rain water in the courtyard (notably keeping it away from the building) and it will also give us new sidewalks in the

courtyard. From a building maintenance perspective, this was identified by our property committee as our top priority for 2016 so it is great to see this project completed.

In addition to his custodial duties, Virgil has also volunteered considerable time at Trinity tackling projects such as our exterior lights (stripping and restoring them back to their copper finish) and our interior railings (scraping and repainting them). Thanks to Bob Jackman too, for helping with these interior railings. When you see Virgil at church, ask him to show you some of the things he has accomplished there. He takes pride in the work that he does, and for good reason.

The ‘final step’ in our new front stairs is the installation of a new hand railing on either side of the steps, which is currently pending approval with the Village. Once we gain their approval of our plans, the new railing will be installed and we will be done with this project (at long last!).

Next up for our property team is the office remodel project, which we have detailed in previous newsletters. We hope to do this project in September and there are likely to be opportunities for members to pitch in and help with various tasks that will be part of this project. Please watch the bulletins for volunteer opportunities and help us if you are able.

We have received some generous donations toward these projects, but a good portion of the total cost remains unfunded as of this writing. We do have some money in savings that we can use if needed for these projects, but I wanted to make an appeal for donations to all members in hopes that we can preserve our savings for use in an emergency. Please be assured that we will not be depleting our savings for these projects, but we may need to use some savings to fund them and our goal is to keep that to a minimum. We have an incredibly generous congregation at Trinity and I suspect I have been pushing the envelope a bit over the last couple of years with all of my appeals for donations. But at the same time, we are making some really nice improvements to our house of worship and these invariably come to us at a cost. Growing up in the Lutheran church, I can still vividly remember our Pastor instilling in us the notion of leaving things better than we had found them. I am very happy to see the improvements we are making at Trinity, and feel that the care our congregation is taking of Trinity will make this a better church for generations to come. Checks with “Capital Projects” in the memo line will be designated for use in these projects. On behalf of church council, thank you for all of your support to date, and thanks in advance for any assistance you’re able to offer going forward. Together, we make Trinity a better place.

**Volunteer(s) needed!** We are asking for help in addressing the landscaping around our two newly update entrances. We are seeking input for the church entrance on Cedar (by the new stairs) and also to help finalize the Elm Street entrance for the lift. If you are interested in lending a hand to this project, please contact Jeff McDonald for more details.

## **Sponsors of Candidates in *Living Lutheran***

Sponsors are congregation members who walk through the process with an individual. They serve as the link to the congregation as the candidate continues to learn about the Lutheran Church, and to grow and mature in the Christian faith.

The basic responsibilities of a sponsor are to attend; to encourage; to listen and to pray. Sponsors attend the Divine Service and accompany the candidates in the different rites that take place in church during their instruction. Whenever possible, they attend the catechesis (instruction) sessions each Sunday with the candidate. They encourage candidates as they make their way through catechesis. At times, if candidates don't fully understand, they may be hesitant to admit this during catechesis or to ask a question. They may feel more comfortable asking their sponsor. Sponsors listen to the questions and concerns that candidates may have. The sponsors are not expected to know the answer to every question. If they don't know the answer, they indicate that they can find out the answer from pastor. A sponsor prays daily for the candidate.

Trinity members are enrolled as sponsors in September. Once enrolled, they will want to mark their calendars so that they can be present in church for the Admission into the Candidacy in October; for the Enrollment of Candidates on the First Sunday in Advent; for the Blessing of Candidates on the Third and Fourth Sundays in Advent (subject to change). They will plan on attending Christmas Eve worship (when the candidates will reaffirm their Baptisms) and the Mystagogy session at a time to be determined.

This process will be repeated in the Spring and timed with Holy Week and Easter.

It is a great privilege to take part in the process by which an individual enters into the Lutheran Church. It is also a wonderful opportunity to grow in knowledge and maturity as a Christian. If you are interested in serving as a sponsor in the candidacy at Trinity, or have questions about it, please contact Pastor Hoag.
